### POST OFFICE.

N. B. The Post Office Bar is open from 8 morning to 8 evening, on week days, and from 8 to 11 forenoon, from 1 to 2, and from 7 to 8 evening, on Sunday.

Mails are made up at the General Post Office, London, as follows:—

For France, every Tuesday, Wednesday, Thursday and Friday—Spain, every second Tuesday—Holland, Netherlands, Germany, and North of Europe, every Tuesday and Friday—Sweden, every Friday—Jamaica and America, first Wednesday monthly—Leeward Islands and Demerara, first and third Wednesday, monthly—Madeira and Brazils, first Tuesday monthly—Buenos Ayres, third Tuesday monthly—Lisbon, every Tuesday—Gibraltar, Malta, Corfu and Mediterranean, first Tuesday monthly.

To his Majesty's Colonies or other Foreign Parts, where rates of postage have not hitherto been authorised, a rate of postage shall be charged in equal proportions to the rates of packet postage, or the conveyance of letters and packets to or from Buenos Ayres, or any port on the Continent of South America.

N. B. The return of the Packets are calculated thus:—To Jamaica and back, 16 weeks,—America, 15;—Leeward Islands, 13;—Malta, 14;—Lisbon, 4;—and the Brazils 20 weeks.—The American Packets sail for New York direct, in November, December, January and February; the other eight months they go and return by the way of Halifax.—From July to December, inclusive, the Packet to Rio Janeiro touches at Pernambuco and Bahia on her outward passage, and the other six months on her homeward.—The Packet stations are Dover, Harwich, Weymouth, and Falmouth.

#### *Packet Postage from Glasgow.*

To America, and West Indies,  $2/5\frac{1}{2}$ ; Madeira,  $2/10\frac{1}{2}$ ; Gibraltar,  $5/1\frac{1}{2}$ ; Malta, Majorca, Sicily and the Mediterranean,  $3/5\frac{1}{2}$ ; South

America,  $3/9\frac{1}{2}$ ; Portugal,  $2/9\frac{1}{2}$ ; France,  $2/2\frac{1}{2}$ ; Holland,  $2/4\frac{1}{2}$ ; Hamburgh, Denmark, Norway, Sweden, Germany, Prussia, Russia, &c.  $2/8\frac{1}{2}$ ; Italy, by Germany,  $2/8\frac{1}{2}$ ; by France,  $2/11\frac{1}{2}$ ; Spain, by France,  $3/2\frac{1}{2}$ .—Ship Letters charged at half the rate of Packet Postage.

Ship Letters are forwarded through the London Post Office, to the Cape of Good Hope, Isle of France, Bombay, Ceylon, Madras, Bengal, Bencoolen, Prince of Wales Island, on paying the inland postage to the port where the ship may be, and Twopence sea postage additional, for every letter under three ounces weight, and One Shilling per ounce, for every ounce above that weight. But Ship Letters *from* the Cape of Good Hope, and places before-mentioned, are liable to the full inland rates, and a sea postage of Fourpence for every letter under three ounces weight, and One Shilling per ounce, for every ounce above that weight.—All letters *from* other places abroad are liable to a sea postage of Eightpence single, and One Shilling and Fourpence for double letters, and so on, over and above all inland rates whatever.—Newspapers and Prices Current that have paid stamp duty, if made up open at the ends, and Letters containing patterns; provided no writing is contained in the letter except the prices of the patterns, and the address of the sender, are forwarded through the Post Office, at One Penny per ounce. But Letters, Newspapers, Prices Current, &c. to the Coast of Africa, St. Helena, Batavia, New South Wales, Surinam, Havanna, Hayti, Honduras, and all places where there are no packets, are charged one-half of the highest rate of postage.—Seamen and Soldiers can send and receive single Letters, (on their own private concerns only,) to and from any part of His Majesty's dominions, where there are regular Mails, on paying One Penny at the time of ingiving. Letters from a Seaman or Soldier must be signed on the back by the Officer in command of the Ship, Regiment or Corps to which he belongs, specifying the class of the person, as the case may be.

## MANAGERS OF THE POLICE OF GLASGOW.

The Lord Provost, Baillies, Dean of Guild and Deacon Convener, *ex officiis*, and twenty-four Commissioners chosen on the last week in July annually, by Inhabitants possessing houses of £10 yearly rent and upwards.—James Hardie, Master of Police—Joshua Heywood, Collector and Treasurer—John Scott, Clerk to Commissioners—David Bruce, Collector's Clerk—Francis Nelson, Surgeon—Thomas Ferguson and James Burns, Surveyors.

This Establishment has 3 Constables—18 Ward Officers—4 House Officers—6 Criminal Officers—12 Patrolemen—James Black, Superintendent of Fire Engines—Farquhar M'Donald, Superintendent of City Lamps—15 Lamp Lighters—100 Watchmen and 20 Scavengers (doubled in winter) and Superintendent.

## REGULATIONS.

A Constable with six Officers attend in rotation at the Police Office, Albion-street, to call the roll of the Watchmen, half an hour before they take their stations, and mark such as are absent. The Officers and twenty Patrolemen, thereafter patrol the streets until between two and three in the morning, or longer if necessary, to observe if the Watchmen are doing their duty; to apprehend vagrants and disorderly persons; and to give, in writing, a report of the whole transactions, in the morning, to the Master of Police.

The Watchmen are to be on their respective Stations, in the months of April to September inclusive, at 10 o'clock at night, and continue till 5 in the morning; and in the months of October to March inclusive, at 9 o'clock at night, and continue until 6 in the morning.

*N. B.*—The Fire Engines are under the management of the Commissioners of Police. Keys for them to be found in Police Office. In cases of fire, it may be of use for the Public to know where the Engines are stationed, also the name and residence of the Master Firemen, which are as under.

James Black, Superintendent of Fire Engines, resides at the Police Office.

No. A Albion-street Engine house, Bryce Gray, Gallowgate

B Duke's Lodgings, Townhead.

C Albion-street Engine house, James M'Intosh, slater, Aird's Lane, Bridgegate

D Albion-street Engine house, Archibald M'Lintock, wright, 11, Bell-street

E Dallas' Court, Argyll-street, James Scott, wright, 11, Wood-lane, Broomielaw

## REGULATIONS

*For the HACKNEY COACHES and NODDIES in GLASGOW,*

*To be observed till altered by the Magistrates.*

For half a mile, 1/—a mile, 1/6—a mile and a quarter, 2/—a mile and a half, 2/3—a mile and three quarters, 2/6—two miles, 3/.

*If Hired by Time*—For one hour, 2/6.—And at the rate of 6d. for every 15 minutes further time.

Fares are to be charged by the distance or by the time, at the option of the Coachman, but not by both.

No gratuity to Drivers, except when going to the country.

Drivers when unengaged, are on no account to refuse any hire when offered, under a penalty.

When a Driver is required to wait either upon setting down or taking up a fare, he must on no account refuse, under a penalty of 5/ and the forfeiture of his hire; but if he waits beyond 10 minutes, he shall be entitled to charge 9d. for every 15 minutes he may be detained.

Fare and quarter to be allowed between the hours of 10 and 12 o'clock, P. M.—Double fares after 12 o'clock.

*When Let by the Mile through Tolls.*—Fare for two miles, 3/6—three miles, 4/6—four miles, 5/6—five miles, 6/.

For greater distances, 1s. per mile for the first, and every succeeding mile, exclusive of tolls.

Parties returning by the same carriage, whether in town or within five miles in the country, shall pay half fare additional, as back hire; when more than five miles, they shall pay 3d. per mile.

There shall be four Stands for Coaches or Noddies, viz. at the Cross—in Argyll-Street, at the foot of Buchanan-Street—South Side of George's Square—and at the Steam Boat Quay, Broomielaw.

Six Coaches or Noddies to be at each Stand at 10 o'clock in the morning.

Although there are not to be less than six Coaches or Noddies sent to each Stand, there may be as many more as Proprietors choose to send; it being expressly directed, that every licensed Hackney Coach or Noddy Proprietor, shall send one Carriage to one or other of the respective Stands, as may be regulated from time to time by the Magistrates; and all persons are prohibited from having Coaches, Chaises or Noddies standing upon any of the Streets unyoked, between the hours of 10 A. M. and 8 P. M. under a penalty of 5/ for the first offence, and 10/ for each succeeding offence.

Drivers attending for a fare at any Stand, shall either sit on the box or stand at the horse's head, under a penalty of 2/6 for each offence.

Drivers are on no account to inquire where a Company are going, previous to engaging, or to plead prior engagements when their services are required, unless they can adduce evidence to the Magistrates that they were actually engaged.

The Carriages to go to the nearest Stand after setting down a fare, and remain there till the full number is on the Stand.

The Carriages shall all have a check-string for stopping the Driver.

An admeasurement of some of the most common Fares.

Although two mile fares are not described, the public will have an idea of them from the mile and three-quarter fares.

Each Driver shall keep a printed copy of these Regulations in his pocket, and show them to his employers, under a penalty of 5s.

The above Regulations will be enforced, and disputes adjusted in the most summary manner, by the Magistrate in the Council Chamber or Police office.

*Council Chambers, 28th Feb. 1824.*

## TABLE OF FEES FOR CARTERS,

*Fixed by the Magistrates, June 8th, 1808.*

The division of the City into districts, according to which the Rates of Carriage after-mentioned shall be exigible.

*First District.*—To or from the Broomielaw, to Stockwell-street, Glassford-street, and Frederick-street, up to the north side of George's square, including both sides of these streets, the whole of George's square, and every part of the city west of these streets; also the upper side of George-street, west of Frederick-street.

*Second District.*—From the streets last mentioned, along both sides of George-street, to High-street, along Trongate and Gal-lowgate, to the Spoutmouth, including both sides of High-street, from George-street southward; also, St. Andrew's square, and all the streets and lanes between the said Spoutmouth westward, to the first line of division.

*Third District.*—All the streets, lanes and other places, within the City, to the east of the second line of division, and to the north of George-street,

The following Rate of Cartage shall be payable in the said respective Districts.

|                                                                                                                                                          | <i>any place in Districts</i> |    |     |    |     |    |
|----------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|----|-----|----|-----|----|
|                                                                                                                                                          | No.                           |    | No. |    | No. |    |
|                                                                                                                                                          | 1                             |    | 2   |    | 3   |    |
| For a hhd. of sugar, pipe of wine, or puncheon of rum, from the Broomielaw,                                                                              | s.                            | d. | s.  | d. | s.  | d. |
| Do. from the Weigh-house, - -                                                                                                                            | 0                             | 11 | 1   | 0  | 1   | 2  |
| For two puncheons of beans or meal, two bales of yarn, or other large casks or bales, or grain in bags, weighing about 20 cwt. from the Broomielaw, -    | 1                             | 2  | 1   | 4  | 1   | 6  |
| Do. do. from the Weigh-house, -                                                                                                                          | 1                             | 4  | 1   | 2  | 1   | 4  |
| For six casks of ashes, or six large bales of cotton, or any number of barrels or bales, weighing about 18 cwt. from the Broomielaw, - - -               | 1                             | 2  | 1   | 4  | 1   | 6  |
| Do. from the Weigh-house, -                                                                                                                              | 1                             | 4  | 1   | 2  | 1   | 4  |
| For a Cart Load of cork, staves, dried hides, or any other commodity that requires a considerable time to load and unload, from the Broomielaw, -        | 1                             | 4  | 1   | 6  | 1   | 8  |
| Do. do. from the Weigh-house, -                                                                                                                          | 1                             | 6  | 1   | 4  | 1   | 6  |
| For a Cart Load of Furniture, or similar articles that require long time to load and unload, for the first hour, and so proportionally, for each Cart, - | 1                             | 0  | 1   | 0  | 1   | 0  |
| And for every other hour, and so proportionally, for each Cart, -                                                                                        | 0                             | 9  | 0   | 9  | 0   | 9  |

In carrying Grain, the Carters shall always find sufficient Bags, and carry the whole of their load up one storey, or into a ground flat, without any assistance from the employer.

When the Cart Load is to be carried up more than one storey, the Carter shall receive 2d. per Cart additional; but in this case the Carter may carry up half the load at his own expense, his employer being at the expense of carrying up the other half.

The Carter in all cases shall assist in loading and unloading, but must always remain by his Cart; and when able so to do, he must load and unload the Cart himself.

All such quantities of Goods as are to be considered a single Cart Load, and likewise all Rates and Fares not before specially provided for, in case of any dispute, shall be settled by the Sitting Magistrate.

The following Rules and Regulations shall be observed by the Carters, and shall be strictly enforced in all time coming.

1st. Every Carter shall enter his name and place of residence, in a book to be kept for that purpose, in the Town Clerks' Chambers, and must find security for the faithful and honest discharge of his duty, under a suitable penalty; and any Carter plying in the streets and neglecting to find such caution, shall forfeit a sum not exceeding two pounds sterling for each offence.

2d. Every Carter shall be furnished with a Badge, which will be numbered according to the order in which his name is entered. These badges must be worn constantly by the Carters when at work; and they must immediately get the number which is on the Badge, painted on some conspicuous part of their Carts, under a penalty of ten shillings for each offence.

3d. Every Carter who shall refuse to work when not engaged, or who shall demand higher Fares than those specified in the foregoing Table, shall be liable to a penalty of ten shillings for each offence. And every Carter who says he is engaged, shall, upon being asked, specify the person by whom, and the hour at which he is engaged, and he shall not refuse to be employed in the interval between the time he is so asked, and the hour of his engagement, under a penalty of ten shillings for each offence.

4th. Every Carter shall be furnished with, and shall always carry about with him a copy of these Regulations and Fares, which he shall produce and shew, when required, to his employers, under a penalty of ten shillings for each offence. And,

Lastly, Every Carter is hereby enjoined, strictly to attend and conform to the Regulations in the Act 12th. Geo. III. Cap. 45, also to the Regulations with regard to the carriage of Timber, in the Act 33d. Geo. III. Cap. 104, under the several penalties therein mentioned.

Extracted from the Records of Council, by  
JAMES REDDIE.

## REGULATIONS FOR PORTERS.

*No rate of Wages for Porters having been fixed by the Magistrates, since March, 1798, the following rates are now generally paid.*

Carrying a letter or letters, parcel or parcels, not exceeding 7 pounds weight, from any part of the City or Newtown to any other place therein, - - - - - 0 3

Carrying a letter or letters, parcel or parcels, not exceeding 7 pounds weight, from any part of the City or Newtown to any other place therein, if delivered to the porter after nine o'clock at night, - - - - - 0 3

|                                                                                                                                                                                                                                   |   |    |                |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|----|----------------|
| Carrying a letter or letters, parcel or parcels, not exceeding 7 pounds weight, from any part of the City or Newtown to Anderston, Bridgetown, New Basin of the Canal, or any place not exceeding an English mile from the Cross, | - | 0  | 8              |
| If delivered to the Porter after eight o'clock at night,                                                                                                                                                                          | 1 | 0  |                |
| For running an express with a letter, or small parcel, for every English mile outwards in day time,                                                                                                                               | - | 0  | 6              |
| If in the night time, that is, after eight o'clock at night,                                                                                                                                                                      | 0 | 9  |                |
| Carrying a back load, not exceeding eight English stone, from any ware-room in Glasgow, to any other ware-room or calender, where the distance does not exceed 500 yards,                                                         | 0 | 4  |                |
| Do. where the distance exceeds 500 yards,                                                                                                                                                                                         | 0 | 6  |                |
| Carrying a back load, not exceeding 8 stone weight, from the Cross to the Broomielaw, Calton or Gorbals, or the like distance,                                                                                                    | - | 0  | 6              |
| Carrying any load not exceeding $2\frac{1}{2}$ hundred weight, on a wheel-barrow, for the same distance,                                                                                                                          | - | 0  | 9              |
| For weighing a ton of goods, such as iron, &c. for the first ton,                                                                                                                                                                 | - | 1  | 0              |
| For every other ton,                                                                                                                                                                                                              | - | 0  | 10             |
| For weighing each bag of cotton,                                                                                                                                                                                                  | - | 0  | $1\frac{1}{2}$ |
| For carrying each bag of cotton out of a cellar, and putting it on a cart,                                                                                                                                                        | - | 0  | 3              |
| For taking each bag of cotton off a cart, and putting the same into a cellar,                                                                                                                                                     | - | 0  | 3              |
| N.B. Two-thirds of the foregoing rates to be paid for pockets and bags of cotton, not exceeding one and a half hundred weight.                                                                                                    |   |    |                |
| For a day's work at articles not specified as above, to consist of ten working hours,                                                                                                                                             | - | 5  | 0              |
| For a week's work,                                                                                                                                                                                                                | - | 20 | 0              |
| For the first hour's work when not employed a whole day,                                                                                                                                                                          | 0 | 8  |                |
| For each subsequent hour's work, when not employed a whole day,                                                                                                                                                                   | - | 0  | 6              |
| For carrying a load of two bolls of meal, for each stair,                                                                                                                                                                         | 0 | 2  |                |
| For carrying a load of two bolls of meal into a close,                                                                                                                                                                            | 0 | 2  |                |
| For each night's watching,                                                                                                                                                                                                        | - | 4  | 0              |

## REGULATIONS FOR COAL PORTERS,

*Fixed by the Magistrates, 15th January, 1807.*

|                                                                                                                            |    |                |
|----------------------------------------------------------------------------------------------------------------------------|----|----------------|
| For carrying a cart of coals up stairs, where the distance from the stair to where the coals lie is not more than 60 feet, | s. | d.             |
| for the first stair,                                                                                                       | 0  | 3              |
| For every other stair,                                                                                                     | 0  | $1\frac{1}{2}$ |

|                                                                                                                                                                                                                                                                                                       |   |   |   |   |   |               |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|---|---|---|---|---------------|
| For carrying a waggon of coals up stairs, the same distance as above, for the first stair,                                                                                                                                                                                                            | - | - | - | - | 0 | 6             |
| For every other stair,                                                                                                                                                                                                                                                                                | - | - | - | - | 0 | 3             |
| For carrying a cart of coals from any street or lane, to a cellar, within twenty feet from where the coals lie, if not down a stair,                                                                                                                                                                  | - | - | - | - | 0 | 2             |
| If down a stair, an additional                                                                                                                                                                                                                                                                        | - | - | - | - | 0 | $\frac{1}{2}$ |
| If above twenty, and not exceeding sixty feet,                                                                                                                                                                                                                                                        | - | - | - | - | 0 | $\frac{5}{3}$ |
| For every additional stair,                                                                                                                                                                                                                                                                           | - | - | - | - | 0 | 1             |
| For half the distance, and so in proportion,                                                                                                                                                                                                                                                          | - | - | - | - | 0 | $\frac{1}{2}$ |
| For carrying a waggon of coals from any street or lane, the same distance as above, into a cellar, if not down a stair,                                                                                                                                                                               | - | - | - | - | 0 | 4             |
| If down a stair,                                                                                                                                                                                                                                                                                      | - | - | - | - | 0 | 5             |
| If above twenty, and not exceeding sixty feet,                                                                                                                                                                                                                                                        | - | - | - | - | 0 | 6             |
| If down a stair,                                                                                                                                                                                                                                                                                      | - | - | - | - | 0 | 7             |
| For every additional sixty feet, for each cart,                                                                                                                                                                                                                                                       | - | - | - | - | 0 | $\frac{1}{2}$ |
| For each waggon,                                                                                                                                                                                                                                                                                      | - | - | - | - | 0 | 2             |
| N. B. Coal porters to report their names to the Town Clerks, and take out a Badge, which they shall wear, under a penalty of 5s. ## REGULATIONS FOR THE STEAM BOATS.

Glasgow, 2d July, 1822.

WHEREAS, frequent disappointments, and great inconvenience,

have been experienced by Passengers and others, in consequence of the Masters of Steam Boats, from improper competition and rivalry, postponing their departure for considerable and uncertain periods, after the times they had previously intimated to the Public, and from their altering the Notices of the times of sailing, originally given by them;—the MAGISTRATES and COUNCIL of GLASGOW, as Trustees for enlarging and managing the Harbour of Glasgow, and in virtue of the powers committed to them by the Acts of Parliament in that behalf, Hereby Enact and Ordain, that from and after the 8th July instant, the Masters and Crews of the Steam Boats, for the conveyance of Passengers, which ply between the Harbour of Glasgow, and other ports in the Frith of Clyde, and Seas adjacent, shall not be permitted to alter the times of their sailing, as first intimated by them to the Public; but shall depart from the said Harbour punctually at the times of sailing, which they have originally announced, on their boards, or otherwise, under a penalty not exceeding Five Pounds for each offence; and that the Assistant Harbour Master for Steam Boats, shall take care these Regulations be strictly enforced.

Extracted from the Records of said Trustees, by

JOSEPH REID.

AGENTS FOR REGULAR TRADERS ON THE  
GREAT CANAL, FROM PORT DUNDAS.

agent———Passengers for Edinburgh must go by the Boat at 6 or 8 o'clock, morning, those for Stirling at 11.

Grangemouth and } John Johnston, 61, Buchanan street  
Carron, ..... }

Do. John Neil, 20, Buchanan street

To LIVERPOOL and Ports on the Clyde, from Aberdeen—  
George Duncan, 55, Queen-street, agent.

## PAISLEY CANAL.

*A Boat for Passengers* leaves Glasgow for Paisley and Johnston, at 10 o'clock, forenoon, and at 4 and 5 afternoon in summer; at 10 forenoon, and 4 afternoon in winter; and an extra Boat on Wednesday, at 6 afternoon in summer, and at 5 in winter; fare to Paisley 9d. and 6d.—to Johnston, 9d. and 1s.

*Track Boats for Goods*, depart from Glasgow for Paisley and Johnston at 6 morning—from Johnston for Paisley at 9 morning—and from Paisley for Glasgow, at 10 and 12 forenoon; agents, John M'Gee, Port Eglinton, and John Miller, Moodie's court, where list of freights may be seen.

## MONKLAND CANAL.

*A Passage Boat* starts from Faskin, (11 miles distant from Glasgow) at half past 7, morning, and from the Bason Townhead, at 4 o'clock, afternoon; fare 3d. and 1/3—other Craft for coals and heavy articles daily.

## BILLETING SOLDIERS.

Soldiers on the recruiting service and not lodged in the Barracks, are billeted on the Inhabitants in regular rotation, with the following exceptions, viz. Parish Ministers and Schoolmasters, Physicians, Surgeons, Procurators, Widows, and unmarried Ladies not in business, and Paupers, and no Inhabitant to have Soldiers billeted on them a second time, till the whole are gone over.

Occupiers of houses at £5 and under £5 yearly rent, two men for any number of days under a week—at £5 and upwards, two men for two weeks, or the remainder of the month, which may happen to be seventeen days.

When it is inconvenient to furnish Soldiers with a bed, it has been usual in lieu thereof to pay 3s. or 4s. a week for two men, payable weekly at the option of the Inhabitant. Government allows a return of 9d.

per week and one penny for each odd night for each Soldier. The Billet master attends from 11 to 5 o'clock on the 28th of each month (when it does not fall on Sunday) and the two following days, to pay the Government allowance.

*N. B.* The case of a soldier who charged 8/ for a billet of two weeks, upon an inhabitant, was brought before the sitting Magistrate, who, after hearing both parties, and examining witnesses, ordered the soldier to refund the overcharge, and communicate this circumstance to his comrades; and decreed that 1/6 per week is a sufficient sum in lieu of a bed; but as the soldier is put to some trouble to provide a bed for himself, he should be allowed 6d. additional, making a sum of 2/ per week; and if at any future time a higher charge is made, it should not be allowed to pass unnoticed

*Glasgow Herald, 25d Dec. 1822.*

A case similar to the above was tried in the Justice of Peace court, when a sergeant made a charge of 3s. per week, for one man, for a bed, which the inhabitant resisted as being too much; the Justices adhering to a decision of the Magistrates in December, 1822, decided, that 2s. per week was the proper sum to be paid to one man in lieu of a bed.

*Glasgow Chronicle, 17th June, 1824.*
